

To Our Patients and Families

The health and safety of our patients, their families, our team, and our communities remains our top priority. In light of continued developments surrounding COVID-19 and to further protect our patients and team, we would like to advise the following information:

- Our office will be closed March 18th through March 27th
- Any IV and Hospital/OR patients will remain scheduled through March 27
- Our team will be in office on Wednesday, March 18 to reschedule appointments
- If you have an emergency, please call the office and we will respond as quickly as possible. Please include your specific office name and your contact information.

We will continue to monitor this situation and will remain flexible to allow changes as needed to keep our patients, our team, and our communities safe. We will also continue to keep you informed as we overcome these challenges together. Please do not hesitate to reach out to us with any questions.

We are in a unique time and we are committed to supporting our patients, our team, and our communities as we work through it together. Be safe and feel free to contact us if we can be of any assistance.

Thank You!

- Your Dental Family!
